Sodom the Killer

SUMMARY

In the beginning of the 18th Century, Lord Sodomu Ichibei is celebrating the happiest days of his life, his wedding day. However, things turn tragic as his wife suddenly dies during the ceremony. Enraged, Ichibei searches for an explanation, eliminating anyone he believes responsible for his bride's death. Two innocent girls, Catherine and Therese, are targeted by Ichibei's allegations. Ichibei believing them to be the culprits tortures and kills them. The innocent bloodshed, elicits a curse placed on the Sodomu family.

300 years later, Sodomu Ichiro, a descendant of Ichibei, is about to get married at a banquet. Extremely fond of her brother, Catherine who has been reincarnated as Ichiro's younger sister kills everyone at the wedding. The curse corrupts Ichiro with evil, causing to kill his beloved sister, Catherine. Ichiro carries the coffin of Catherine and begins an endless cycle of atrocities and injustice. He has become known as "Sodom no Ichi". Amidst the chaos, Teresa who reincarnated as a criminal detective secretly watches Ichiro.
